The title of the puzzle alludes the Pokemon series.

Each image depicts the name of one Pokemon:

 <p>castform</p>	 <p>clamperl</p>	 <p>gardevoir</p>	 <p>wailord</p>
 <p>sableye</p>	 <p>scizor</p>	 <p>delphox</p>	 <p>ursaring</p>
 <p>ambipom</p>	 <p>panpour</p>	 <p>litwick</p>	

Putting together the highlighted letters in order, we get "flowerdrink". We once again need to think of what Pokemon this phrase represents, which leads to the solution, ROSERADE.
