Spring 2018

The title and flavor text hint at the video game franchise Super Smash Bros. By pairing locations together, you notice that joining pairs of words results in a character's name being formed in the middle. Indexing into the characters name by the player number gives the answer.

Location 1	Location 2	Character	Index	Letter
Guadalupe, Mexico	Achinsk, Russia	Pe-ach	3	A
Des Moines, Iowa, United States	Shanghai, China	Nes-s	1	N
Viña del Mar, Chile	Thunder Bay, Canada	Mar-th	4	T
Dublin, Ireland	Kyoto, Japan	Lin-k	2	I
Kahului, Hawaii, United States	Giza, Egypt	Lui-gi	4	G
Bafoussam, Cameroon	Uşak, Turkey	Sam-us	4	U
Hiroshima, Japan	Rio de Janeiro, Brazil	Ma-rio	2	A

This spells ANTIGUA, a tropical island destination.
