

# A Kale Venue [SOLUTION][META]

The picture in the meta puzzle is an image of the shops on Lake Avenue. We also notice the title of the puzzle is an anagram of "Lake Avenue." The restaurants shown in the image are below, ordered in the order of their markers.

[S] WAHOO'S FISH TACOS [Spicy 'Chi Taco] [9]  
[U] URBAN PLATES [Antioxidant] [1]  
[P] DU-PAR'S RESTAURANT AND BAKERY [Butterhorn] [3]  
[R] PACIFIC SEAFOOD GRILL [Barramundi] [16]  
[E] CHIPOTLE MEXICAN GRILL [Steak] [8]  
[M] MEDITERRANEAN CAFE [Baba Ghanooj] [1]  
[E] BENGEE'S ICE CREAM CRAFTERS [Waffle Cones] [5]

[G] VEGGIE GRILL [Seasonal Soup] [4]  
[R] ABRICOTT [Coconut Pasta] [3]  
[E] REAL FOOD DAILY [Seacake] [2]  
[E] JAMBA JUICE [Steel Cut Oatmeal] [10]  
[N] PANDA EXPRESS [Mushroom Chicken] [3]

Each puzzle solution also resulted in a nutritional facts information card for a particular food dish. Each food dish can be found on the menu of one of the restaurants on Lake Avenue that are marked on the map. Indexing into each restaurant in order of their markers by the "Vitamin K" percentage (because of kale's high vitamin K content and "K" for kale) in the appropriate dish's nutritional facts card gives:

SUPREME GREEN

This is the name of a kale smoothie that is served at [NEKTER JUICE BAR](#), also a shop on Lake Avenue. The team must then head to this location to pick up their prize.
