

On the Keyboard [SOLUTION]

After googling a few of the titles, you figure out these are piano pieces by Antonin Dvorak. The title hints that this puzzle also has to do with the Dvorak Keyboard. The flavor text suggests to treat a Dvorak keyboard like a piano keyboard where middle A (A4) is in the same position as the letter 'A'. The octaves/specific keys are denoted using [scientific pitch notation](#).

"	<	>	P	Y	X	G	C	R	X	?
,	,	.								/
A	O	E	U	I	D	H	T	N	S	
A4	B4	C5	D5	E5	F5	G5	A5	B5	C6	

Taking the key of each piece and the corresponding letter on a Dvorak keyboard, it spells SPICY 'CHI TACO which is a dish at Wahoo Fish Tacos.'
