

# Catering and Dining Situation [SOLUTION]

As the title and flavor text hint, this is a puzzle about acronyms:

Catering and Dining Situation → CDS → Caltech Dining Services

Taking the first letter of each dish in the catering menu gives an acronym for a national or international food-related organization. Indexing into the expanded organization name by the “Number Requested” gives letters.

Original	Acronym	Food-related Organization	Letter
Fillet of Nenana Salmon	FNS	Food and Nutrition Service	S
Ultimate Seared Duck (Asian)	USDA	United States Department of Agriculture	E
Mushroom Omelette with Watercress, Asiago, and Avocado	MOWAA	Meals on Wheels Association of America	A
Fresh Dijon Almonds	FDA	Food and Drug Administration	S
Falafel with Fennel Aioli	FFA	National FFA Organization	O
Irapuato Fish Taco	IFT	Institute of Food Technologists	N
Figs, Apricots, and Oranges	FAO	Food and Agriculture Organization of the United Nations	A
Ham in Hollandaise Sauce	HHS	United States Department of Health and Human Services	L

Wok-Fried Popiah	WFP	World Food Programme	O
Caramelized Fish Sauce	CFS	Committee on World Food Security	U

This spells SEASONAL SOUP, a dish at [Veggie Grill](#).
